

# Adnan Hanif

## Front End Web Developer

+92 347 6031166 @ adnanhanif@nextgensolutions.com <https://www.linkedin.com/in/adnan-hanif-647ba532b/>  
Islamabad, Pakistan

## SUMMARY

I am a motivated and detail-oriented frontend web developer with hands-on internship experience at Corvit. I specialize in crafting responsive and interactive user interfaces using modern frontend technologies. I am certified in Networking, JavaScript, and Project Management. I am passionate about performance, clean UI, and scalable code.

## KEY ACHIEVEMENTS

 <b>Optimized Website Speed</b>	Led a project team that improved page load speed by 30%.	 <b>Enhanced User Engagement</b>	Implemented UI redesign that increased user engagement by 25%.
 <b>Reduced Bounce Rate</b>	Built a responsive website reducing bounce rate by 20%.	 <b>Increased Session Time</b>	Developed 10+ interactive widgets resulting in 15% longer session time.
